## **CORPORATE HSE POLICY**

Health, safety and care for the environment are of primal importance to Astava B.V. In accordance with our Corporate HSE Policy, we are fully committed to the twin goals of equal status, being to:

- Maintain a SAFE, HEALTH and INJURY FREE work environment for all individuals and employees.
- Avoidance of damage to ENVIRONMENT

Adherence to our integrated Management System by all employees is fundamental to ensuring safe and efficient operations, and is the means, by which Astava B.V. will systematically monitor and ensure:

- Safe systems of work, which avoid accidents, anticipate hazards and reduce risks to an acceptable level.
- Compliance with the law and recognised best practice.
- Continues improvement in our HSE performance.

The responsibility and care for health, safety and for the environment is everybody's which requires from all of us to conduct their operations in such a way that this shall be seen and exercised as such. This responsibility and care is an integral part of, and is inseparable of, our daily operations.
